2012 camping pods

*the pod ... is already set up when you arrive
... after a busy day - the perfect space to relax
... comfortable, spacious & secure accommodation
... no putting up & taking down of wet tents
... no flapping canvas to keep you awake
'this is the great indoors - in the great outdoors'*

Designed as 21st Century Camping, the *Pod* has become the revolutionary new way of experiencing the great outdoors. 'Glamping' – glamorous camping – has taken off across the UK and now, for the first time, has landed on the Fylde Coast.

The *Pod* is the unique invention of a small firm in the South Lakes.

The *Pod* is a timber built, insulated hut designed to be used just like a tent, but one which is already set up for you on site. With no tent to erect or pack away, the *Pod* has taken the hassle out of Camping.

The *Pod* is constructed with a layer of lamb's wool insulation for those chillier times and ample ventilation for those hot summer days.

The *Pod* offers the freedom and ambience of traditional camping, but gives you a higher level of both privacy and security than a canvas tent.

The *Pod* gives you a guaranteed dry place, should the weather change.

We have 2 Standard *Pods*, sleeping 2 Adults & 2 Children (up to 14yrs of age) or 3 Adults and 4 Family *Pods*, sleeping 2 Adults & 4 Children (up to 14yrs of age or 4 Adults).

The carpeted inner floorspace for the Standard *Pod* is 2.32m wide (7ft 7in) x 2.7m long (8ft 10in) x 2.1m headroom (6ft 9in) and the carpeted inner floorspace for the Family *Pod* is 2.66m wide (8ft 8in) x 3.52m long (11ft 6in) x 2.2m headroom (7ft 2in).

There are no other fixtures and fittings included in the hire of the *Pod*, therefore you are required to bring all the equipment you would need for a camping holiday, just minus the actual tent.

The *Pods* have a carpeted interior, are heated, have electric lighting, TV with an integral DVD and also have a decked area at its entrance for dining, sunbathing or simply just 'chilling out'.

The *Pod* is available from 3:00pm on the day of arrival until 12:00noon on the day of departure. To avoid disappointment, please do not arrive prior to the 3.00pm arrival time.

The minimum advance booking is 2 nights over weekends and during Peak Season, except Bank Holidays where the minimum advance booking is 3 nights.

A 10% discount is given for stays of 7 days.

The *Pod* is strictly No Smoking and No Pets allowed (except assistance dogs).

To maintain the overall ambience of the Park, gazebos are not allowed.

All cooking stoves/equipment must be used outside the *Pod*. BBQ's are allowed, but must not be placed directly on the grass or decked area at the front of the *Pod*.

The *Pod* is for family use only, not for youth groups, single sex parties where any member is under 25yrs of age, or student groups.

Complimentary Wi-Fi is available on the Park. Ask at Reception for your free access code.

A £20.00, fully returnable deposit is also required on arrival for both the keys to the *Pod* and to our luxury amenity building, where use of the family bathrooms is free.

STANDARD POD = £35.00 per night.

FAMILY POD = £45.00 per night.
